Before onboarding

↑ 76%

During onboarding

↑ 55%

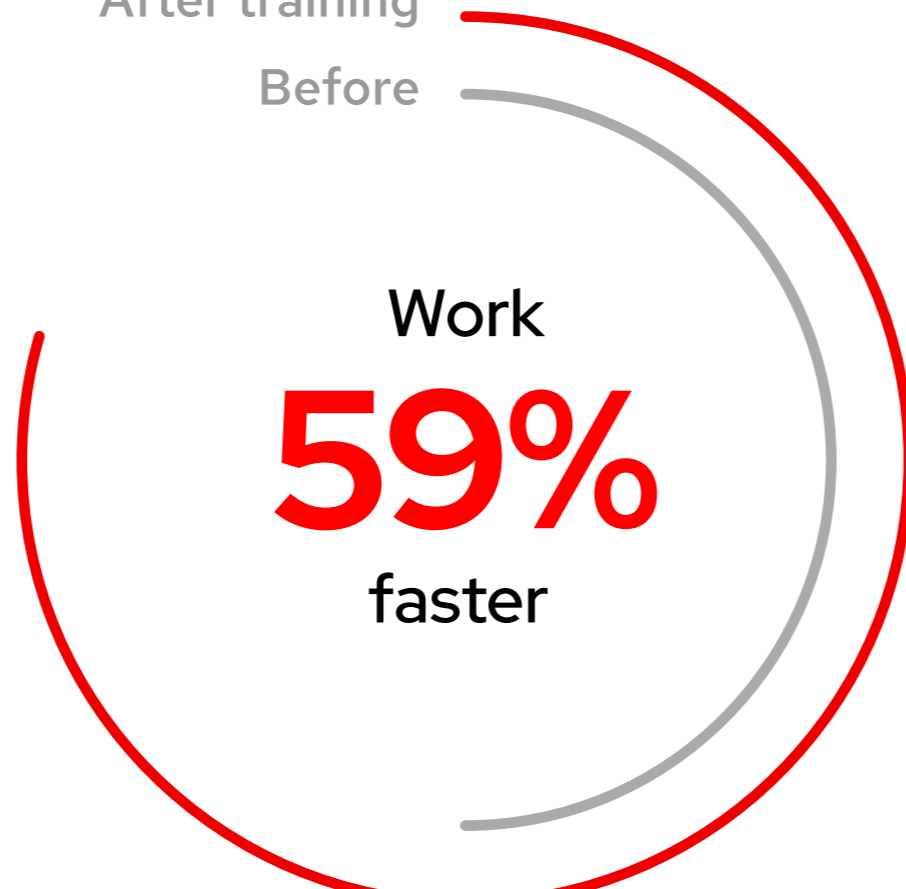

Process and technology

With skills gained from training, staff were able to faster deploy new IT resources.

-  Physical servers
-  Virtual machines
-  Containers
-  Storage

After training

Before

Staff who have had Red Hat training can adapt to do things on the fly more quickly. It gives them a new perspective and gets them out of the 'this is how I've always done it' way of thinking. —IDC study participant
